About the NorthEast Seacoast Unit

As a part of the Herb Society of America, the NorthEast Seacoast Unit is dedicated to promoting the knowledge, use and delight of herbs through educational programs, research, and sharing the experience of our members with the community.

Formed in 1987, we are an independent nonprofit corporation in the State of New Hampshire.

Located on the seacoast of New Hampshire, most of our meetings are held in the Portsmouth vicinity. Our members volunteer their time and expertise to actively support the Unit's programs and projects.
